

**Where Do We Go
From Here?**

CTSTs

- If you are not involved,
GET INVOLVED
- If you are involved,
STAY INVOLVED

Road Safety Audits

- Great tool for CTSTs to address local safety concerns
- Training and assistance are available

Follow-up Questions:

Larry Hagen

Evaluation:

- Please take the time to give me your feedback – I will use it to make this class better.
- “Traffic Engineering for Designers” – in two weeks. What would you like us in engineering to do differently to help you do your job better?

The End...
